

A Day in the Garden - Making Owl Nesting Boxes

The long-awaited owl nesting box workshop is here. These beautiful, fascinating birds (see pictures of our very own on the www.oakhavengardens.com website, Home and Schedule pages) will delight and intrigue you as well as devour five or six rodents per night (yes - rats, mice, voles, gophers and moles). All you have to do is put up the nesting box; they will find it.

Join master craftsman Richard Gormley, host of Oak Haven Gardens, as he guides us through the intricate and rewarding steps of creating our own functional birdhouses.

If you have always wanted to learn rudimentary carpentry skills, this is your chance. Sign up early as space is very limited.

Throughout the day bask in the peace and serenity of Oak Haven Gardens; enjoy a delicious, organic lunch and snacks; make new friends and partake of a day full of laughter and joy.

Oak Haven Gardens is a place of tranquility and renewal. I attended the wreath making workshop, and it was more than the activity - it was an awesome experience. To be surrounded by beauty, kindness and connection for a day was a restorative process.

- Michelle, workshop participant

Date: Saturday, February 4, 2012

Time: 10:00 a.m. to 4:00 p.m.
