

A Day in the Garden - Creating Lavender Wands

Come to the peace and serenity of Oak Haven Gardens; enjoy a delicious, organic lunch and snacks while creating beautiful treasures you, your family and friends will enjoy for many years to come.

In the morning, pick fresh lavender from the garden and, with Tara's guidance, begin to weave it into fragrant and beautiful wands that will scent a drawer for up to a decade. In the afternoon, complete the wands and enjoy the beauty and bounty at Oak Haven Gardens.

Oak Haven Gardens is a place of tranquility and renewal. I attended the wreath making workshop, and it was more than the activity - it was an awesome experience. To be surrounded by beauty, kindness and connection for a day was a restorative process.
