

A Day in the Garden - Wreath Making

In this workshop we will create holiday cheer and beauty, using nature's vast array of seeds, pods, cones, leaves and twigs, all the while acknowledging and reconnecting with the beauty and simplicity around us.

Together we will:

- Stain or paint precut wooden frames
- Choose from among hundreds of items from Nature's bounty
- Assemble individual artistry with the aid of glue and glue gun
- Spray for a finished look
- Attach ribbons or raffia as desired

Join Tara in the peace and serenity of Oak Haven Gardens; enjoy a delicious, organic lunch and snacks while creating a beautiful Holiday treasure you, your family and friends will enjoy for many years to come.

Oak Haven Gardens is a place of tranquility and renewal. I attended the wreath making workshop, and it was more than the activity - it was an awesome experience. To be surrounded by beauty, kindness and connection for a day was a restorative process.
